Dear Ms. Michalos,

It is with much thanks and gratitude that I write this letter to you. Agape Meals for Kids has been instrumental with assisting our students who may be experiencing food insecurity. Agape has ensured that 23 of our Clinton Avenue Elementary students are provided with additional pantry and food supplies each and every weekend. Agape's efforts to support our students and their families has had a profound and positive impact on our learning community.

In addition, I would like to thank Agape for providing additional Thanksgiving bags which included food supplies and carefully chosen children's books for each of our students. It was extremely thoughtful and will undoubtedly make their holiday a bit more special.

Once again, all of us here at Clinton Avenue Elementary School are grateful for the work Agape does on behalf of our students. We wish all of your volunteers a safe and Happy Thanksgiving!

With Gratitude,

Robert M. Pearl  
Principal  
Clinton Avenue Elementary School
